

Objective

For over thirty years Stanton Glass Studio, LLC has been working with Texas's finest architects and design groups- designing, crafting and installing beautiful, one-of-a-kind custom stained glass windows, entryways, domes, light fixtures and Tiffany-style lampshades for private residences, hotels, churches and corporate settings. Our innovative designers and craftsmen work in a wide variety of glass techniques and related mediums.

Timeline of Stanton Glass Studio

1979 Stanton Glass Studio is founded Waco, TX

Services offered:
